PLANNING CONSULTATION

APPLICATION TYPE: 010 Other Minor
APPLICATION NO 18/00623/OUT
PROPOSAL Outline application for Erection of pedestrian bridge over River Wharfe
 with Access, Layout and Scale considered.
LOCATION Askwith
GRID REF:
APPLICANT: Mr David Asher

My observations on the above application are as follows:-

Modifications to the design of the structure in recent years have reduced the potential harm to the AONB's landscape caused by construction of the bridge and it is clear that a bridge in this location will result in significant improvements to access to the designated area that will be greatly welcomed by people living in the Wharfedale towns immediately to the south of the designated area boundary.

The AONB's Joint Advisory Committee does not object to this application.
